

Macdonald Drive Junior High School

ACADEMIC EXCELLENCE AWARD

This distinction is awarded, in June, to the top three academic students from the grade nine graduating class. The award is to be presented to the students who accumulate the top three academic averages, which are calculated using the five core subjects, namely:

English
Math
Science
Social Studies
Core French (English students)
Français (French immersion students)

Eligible students must be on a Prescribed Curriculum (P1 or P2).

Student obtains a minimum of 80% in all subject areas.

Names will be permanently inscribed on “Academic Excellence” tableau by Main office.

Students will be presented with formal “Academic Excellence” certificate and School medal at June closing ceremony.
