

WE Day Connect Event Permission Slip:

Our school has been selected by the WE organization to participate in an exciting WE Day Connect event focusing on cyberbullying on **Thursday, November 29, in our gym from 1:30-5pm**. The live show ends at 4pm but there will be a post-session. Student attendance is optional since it is late, but we are hoping for a great turn-out! **Students will need to arrange their own transportation home after the event at 5pm. Students NOT attending will be dismissed at regular time.**

The event will be recorded and live-streamed from Microsoft Studios in Seattle, Washington, so hence the late time (time zones). Five schools have been selected to participate - one from each of these areas: UK, Seattle, New York, Toronto, and St. John's. A team of WE Day producers / technicians will come to MDJH to facilitate the event.

WE Day Connect will introduce students to various exciting WE Schools projects and illustrate how they come to life. Through video content, social media, and live Skype interviews, our students will be engaged and motivated to learn about the stories behind the projects. MDJH will be the focus of one segment and some of our students will be interviewed about our work as a WE School, specifically the WE Rise Above campaign.

Please send back this double-sided permission slip by Friday, Nov 16, in order to determine how many students will attend and how much teacher supervision will be needed. **The WE organization requires that all students participating complete the media release form on the back of this sheet.**

I give permission for my child, _____, to attend the WE Day Connect event on Nov 29 and I will provide transportation home after the event.
